All the information required to answer the questions will be presented in the selections; you will not be required to have any special knowledge relating to the subject areas of the selections.

#### **Calculators and Reference Materials:**

Most civil service written tests do not require the use of a calculator or slide rule. However, the use of calculators is **ALLOWED** for this exam. This test will consist of three timed parts. In part one, you will be required to add, delete and update various records in the data base. In part two, you will be required to retrieve records from a database and write down selected information from the records onto printed forms. In part three, you will be asked questions on the computer screen about the information you wrote down in part two. You will enter your answers directly into the PC.
